**LETTER SUBMITTING SUBSTITUTE SPECIFICATION**

ASSISTANT COMMISSIONER FOR PATENTS  
WASHINGTON, D.C. 20231

SIR:

Applicants submit herewith a substitute specification wherein the term "Jordanite" is replaced by the term --Yenomite.-- For the Office's convenience, a red-line version of the specification reflecting each change is also attached. The reason for the change is that, unknown to Applicants at the time of filing this invention, the term "Jordanite" defines a mineral completely unrelated to the present invention. That term has accordingly been replaced with the term "Yenomite" through the specification.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,
